For recurring piles and bleeding and pain from hemorrhoids

PRESER G CAPSULES

Brand name: PRESER G CAPSULES

Class **2** OTC drug

<Oral medicine for hemorrhoids>

- ◆ **PRESER G CAPSULES** is a medicine for hemorrhoids that works from inside the body to treat bleeding, pain, and swelling caused by piles and hemorrhoids.
- ◆ Melilotus extract, an active ingredient derived from plants, works from the inside to improve hemorrhoid blood congestion—the cause of piles—and reduce the size of hemorrhoids from their source.
- ◆ Taking 1 capsule 3 times a day is highly effective for recurrent piles and for bleeding, pain and swelling caused by hemorrhoids.

Precautions for Use

Efficacy

Relieves symptoms in the following cases: Hemorrhoids (piles), hemorrhoid bleeding, hemorrhoid pain, hemorrhoid swelling

Usage/Dosage

Take the following dosages with room-temperature or lukewarm water.

Age	Single dose	Number of doses
Adults (15 years and older)	1 capsule 	3 times a day
Under 15 years old	Do not take this medicine	

Note:

- (1) Strictly follow the prescribed usage and dosage.
- (2) How to take out the capsules

As shown in the illustration, press the convex part of the PTP sheet containing the capsule hard with a fingertip to tear the aluminum foil on the reverse side, remove the capsule, and take it. (Accidental ingestion of the PTP sheet as-is may lead to unexpected accidents, such as penetration into the esophageal mucosa.)
